The original Tresna Chapel, built in 2003, has a heritage of happy moments. The new Tresna is a more modern version of the Chapel, with enhanced views and additional perquisites including a sparkling glass aisle. Lower arched windows gaze upon the floating water that surrounds the chapel and out across to the Indian Ocean. Beneath the venue sits a discreet, 110-guest function space with private manicured lawn. The ideal setting for post-wedding cocktails with a view.

Ocean Wedding Deck at AYANA Villa complements the resort's iconic SKY. Spanning above the Indian Ocean from the garden of AYANA's opulent 3-bedroom pool villa, couples can enjoy complete privacy with 180-degree ocean views for up to 200 guests for a splendid sit-down dinner or up to 500 guests for a standing event.

In addition to the St. Leger designed Private Wedding Deck, wedding guests are invited to make use of their very own **private dining room** cleverly built into the cliff edge below the deck. The private dining room is fully air-conditioned seating up to 40 guests, with uninterrupted views of Jimbaran's shoreline. The villa's private garden, complete with swimming pool and Jacuzzi, is a sanctuary for intimate ceremonies and VIP receptions.

The highly anticipated addition of the iconic **Rock Bar BALI** to AYANA's destination wedding inventory is now available for gatherings of up to 50 guests. Situated within a few meters from Jimbaran's enchanting sapphire waters, Rock Bar's unparalleled setting, versatile catering menu and live music make this venue truly one-in-a-million. The experience is perfect for new couples or those wishing to renew their sacred vows.

Famed as one of AYANA's most romantic settings, the resort's private Pier is now available for **Weddings on the Pier**. The seemingly endless aisle that floats above the Indian Ocean is undoubtedly one of the island's most unique wedding venues. The unrivaled destination can accommodate from 30 to 60 guests, and with natural ocean waves to create an unblemished backdrop, the Pier is a spectacular 360 degree setting.

Notable as one of the island's hidden gems, AYANA's white sand Kubu Beach welcomes couples to begin their new lives together with sand between their toes. **Kubu Beach Weddings** are blessed with a gentle sea breeze and the sounds of the Indian Ocean. The on-the-sand experience is perfect for weddings of up to 50 guests. Transporting guests to Kubu Beach is now even easier with a brand new cliff-side inclinor, which takes just 35 seconds from the cliff-top to the sandy shore.

With 19 restaurants and a brigade of professional chefs from across the globe, AYANA's Catering Department is committed to being among the world's best. The team showcase an outstanding variety of universal cuisine including Thai, Chinese, Mexican, Japanese and
